if composting doesn't take place at such low temperatures, would this one work for this application? if not, does anyone recommend ones that would?

www.myhealthforce.com

as for the drugs, i'm not that far gone though i am glad they are there for those who need them

healthforce.com reviews

however, if present, it is a good idea to see your doctor as the symptoms, if left untreated, can lead to more serious problems.
